STATINTL

I have now completed the arrangements for the first of the new Boston dinners and find that Friday, the 11th of December, is the consensus. Our plan is to meet at 6:30 at the [redacted] for cocktails and dinner.

I shall use this first evening to describe the totality of our activities in brief as a foundation for later meetings. However, I would like to go into several of our more exciting programs in some depth during this first meeting. We will hope to break up about ten o'clock.

I shall look forward to seeing you then.

Sincerely,

Albert D. Wheelon  
Deputy Director
